PRODUCT GUIDE
TWO THOUSAND AND SIXTEEN

A GREAT PHOTO SESSION IS ONLY THE BEGINNING.

— OUR QUALITY PRODUCTS —

At Brock's Photography, a great photo session is only the beginning. Once the shoot is over and we have a selection of spectacular images that reflect your personality, we'll painstakingly edit, retouch and color-correct those images with careful attention to every detail. Then, we will work with a professional printing lab to produce a variety of products that meet our exacting standards.

We work only with a high-quality, professional-grade lab staffed by experienced craftsmen. Your products will be archival quality, so you can be certain they will remain treasured heirlooms for generations. You can expect brilliant color, flawless reproduction, and pride of craftsmanship that shows in every piece of work we produce. We know your expectations are high, and we strive to exceed them.

“JUST AS YOUR PHOTO SESSION
WAS ABOUT YOU AND YOUR
FAMILY — YOUR PERSONALITY,
YOUR PASSIONS — THE
PROCESS OF ORDERING PRINTS
AND PRODUCTS SHOULD BE
PERSONAL AS WELL.”

THE EXPERIENCE

We realize that your portraits are more than just pictures – they're a personal reflection of you. Just as your photo session was about you and your family – your personality, your passions – the process of ordering prints and products should be personal as well. Once your photo proofs are ready, we will set up an in-person appointment, either at our office or in your home, to help you select the package of heirloom products that is right for you. For us, one of the most rewarding moments in our job is watching our clients' excitement when they see the beautiful images we have created for them. We can help you decide how you would like to display those images in your home, how to present them as gifts to others, and how to keep them preserved for generations to come.

CREATE A COLLECTION

Let us guide you through the fun and creative process of designing your custom order.

STEP ONE

When you're ordering wall portrait , all of the choices and options can be overwhelming. We make it easy for you with an in-person, one-on-one meeting to walk you through each step. We'll help you choose the best images, and we'll also present you with samples so you'll know exactly what to expect as you select the correct size and type of portrait to fit your style and space. We'll take your personality and budget into consideration to help you create the wall collage or wall portrait that is right for you.

STEP TWO

It is time to select the images for family and friends. This is a great time to think of your office space or shelves. Our quality prints are created at the nations leading labs. Only the best quality is acceptable for your prints.

STEP THREE

It is time to choose your album or coffee table book. This is a great way to enjoy all of your favorite images from your session. We will make sure you will be thrilled with the final product. Quality and service are important to us, and we will do everything possible to ensure that your heirloom album or book is well worth the investment. Please allow 3 to 4 weeks for final delivery of your custom album or book.

STEP FOUR

We have great Boutique items available. if you have created your collection to include step one, two and three you will receive 10% off all other items. This includes digital collages, folios, photo cubes, framed collages, and announcement / holiday cards.

CLASSIC PRINTS

In addition to your album, we'll help you to select an array of beautiful loose prints. Let us arrange an in-person consultation to help guide you as you choose the images and sizes that best meet your home decorating needs as well as your budget. We'll even suggest the frame styles and colors that will best show off your gorgeous images while complementing the décor of your home. Our prints come from a professional-grade photo lab where experts take pride in the brilliant color and exact photo reproduction of your prints. This kind of exceptional quality is not available from consumer-grade photo labs. We guarantee that your prints will be archival quality and will hold their color for decades to come as you proudly display them to family and friends.

GALLERY WRAPPED LEATHER

Gallery wrapped leather are a striking alternative to canvas wraps. We'll take the image of your choice, retouch it and color-correct it with meticulous attention to detail, and then print it onto high quality leather that will then be stretched over a wooden frame so it is ready to be mounted on a wall in your home. We'll make your image look like a museum piece, and we are happy to consult with you on how best to display one of these gorgeous art works — or even several together — in your home. Leather wraps are becoming the most popular choice because they are uniquely done, they are more durable than paper, and the leather adds texture, depth and sophistication to the images you choose. Our gallery wrapped leathers are available in a variety of sizes, and come with mounting hardware, ensuring that installation will be a breeze. Allow two to three weeks for delivery.

FLUSHMOUNT ALBUMS

Your photos tell a very personal story. Let us present that story to you in a beautiful flushmount album that your family will enjoy again and again. A flushmount album is distinct from other types of photo album because, as the name suggests, the finest quality photo prints are mounted across an entire page to create a striking look. While many flushmount albums are available from many different sources, we've done the research for you, and we offer only the best in quality. With stunning color reproduction and meticulous craftsmanship, these albums are the artistic display your images deserve. We will guide you one-on-one through the process of selecting the images, materials and design for your album to create a work of art you'll show off with pride to your children and theirs.
